Objective

Production Assistant

Seeking a position as a Graphic Designer.

Experience

Designer

Feb 2007–Present
SJSU Career Center

Manage projects simultaneously and work directly with staff. Utilize SJSU design aesthetic to create posters, newsletters, brochures and web material that promote programs and events.

Freelance Designer

Oct 2007–Aug 2008
Tied Together Marketing

Worked on a collaborative project with another graphic designer to conceptualize and execute deliverables for an international sales and marketing event. Conducted batch processing.

Design Intern

Sept 2006–Dec 2006
Abra Marketing

Responsible for designing refreshment menu and graphics for a museum exhibit, performed color studies, sorted and shredded documents, and attended to receptionist duties.

Design Intern

Jan 2006–May 2006
Brainworks

Supported a lead designer. Developed a slideshow highlighting company work, designed sample newsletter layouts, image touch up, prepared files for print, and post print production.

Activities

Student Digital Art & Design Contest

April 2006

Co-produced, conceptualized, and designed mediums that advertised the event such as posters, flyers, a website, registration forms, and t-shirts. Printed, cut, and mounted all material.

Leadership

President of Neo

Graphic Design Club
San José State University

Implemented club goals and monitored progress. Set agenda, organized and moderated club events. Encouraged and motivated group members to participate in Neo functions.
